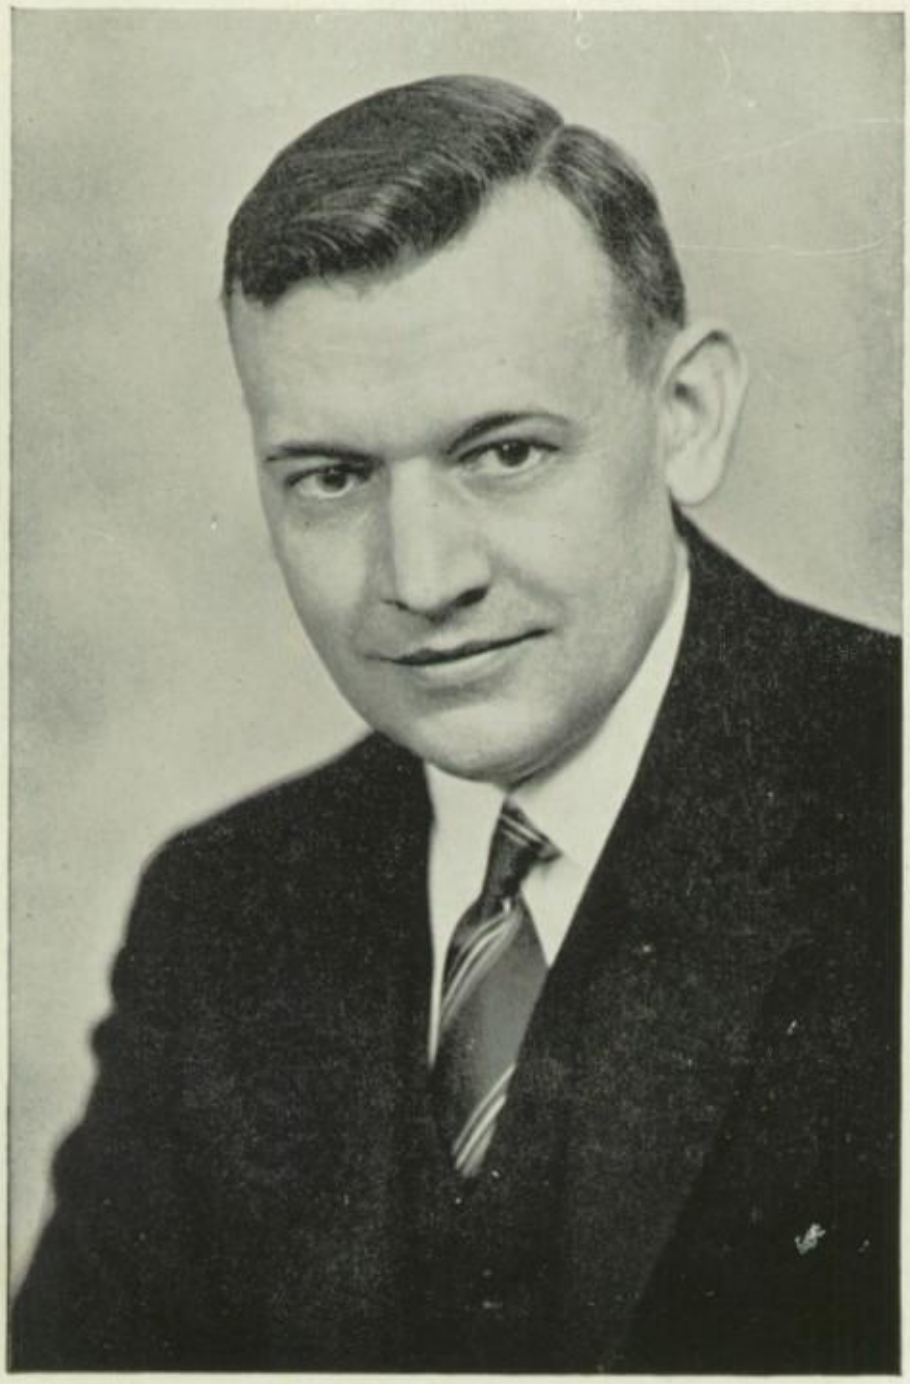
FOREWORD

In this present crisis, this fight to preserve the democratic way of life for which others have fought and died, the students of Ambler High School are not and will not be idle. The Seniors being graduated this year have prepared for the places they will take in our nation's program. It may be in one of the armed services, in a defense industry, or in gaining further knowledge that will aid in the future. Our physical training, our sports, and our health programs will give us healthy Americans. Our home room sales of War Stamps will help insure our forces their supply of tanks, guns, battleships, and bullets. Our dramatic and musical departments will aid in maintaining the morale of our people. Many of our students and teachers enrolled in first aid classes and other civilian defense organizations will be equipped to do their share. Other students will aid in the collection of scrap metal and paper, and in the conservation of other important defense materials. Whatever the job, great or small, Ambler High School will do its part!

WE HONOR ANNE M. GEAR

To you, Miss Gear, the Class of 1942 proudly dedicates this R-Ambler. We admire the way that you have led the Junior High Council, the Press Club, and the Junior High Dramatic Club. As Freshmen we grew to know you well; and throughout the rest of our years in Ambler High School, you have not only been our teacher, but also our friend and adviser. Your friendly and vital interest in all of us has enriched our high school life greatly.



"We shall nobly save or meanly lose the last best hope of earth." These words from Lincoln's message to Congress in 1862 strike us with peculiar force today.

You, the members of the Class of 1942, are being graduated from high school at a time when our nation is mustering its strength to defeat the tremendous forces of the treacherous totalitarians. You, and the millions of other young men and women of America, will be increasingly responsible for bringing victory, hope, and happiness to a world darkened with danger, disaster, and death.

No generation of Americans ever faced a greater challenge. You will need faith in your ability to triumph despite difficulties; you will need a sympathetic understanding of the hopes and fears that shape the lives of other people; you will need the courage to face fear; but above all, you will need an unfailing faith in the Eternal.

In these days, as we respond to the call of our nation for increased sacrifice and devotion, may we keep in mind the faith of a little English girl. In the midst of many nights of terrible bombing she asked God to care for her grandparents, for her mother and father, for her brothers and sisters, and then she added "and God, please do take good care of yourself for if anything happens to you, we are all sunk."

E. E. KERSCHNER,
Supervising Principal.

To the Class of 1942

We are proud of you and your accomplishments—your four years of application in Ambler High School. May you go forward well prepared to realize your personal ambitions, and to serve our community and country.

In the past, young people did their bit to explore, settle, and build America. Their youth and strength were needed to settle the wild new land and to build communities on the frontiers. Many of the "fathers of our country" were leaders at a relatively early age.

Not only famous Americans began their life work early but also those men and women who lived and died unknown. These, the common people, laid the ground work for our America, on the frontier, in the cities, and on the farms. To these young patriots handicaps and dangers were a challenge rather than a cause for despair. It is up to us to carry on.

"Duty—Honor—Country." These are living words to the West Point cadet. They should burn in the heart of every American citizen whatever his station may be. We must try to do better the things we have been doing, have faith in each other, willingly give our services, suppress our individual desires, and if need be, risk our lives that the nation may live.

Let us keep our faith in the ideals that have sustained men through darker times than these. There is real work to do for all of us, young and old.

EARL T. BAKER,
Principal.

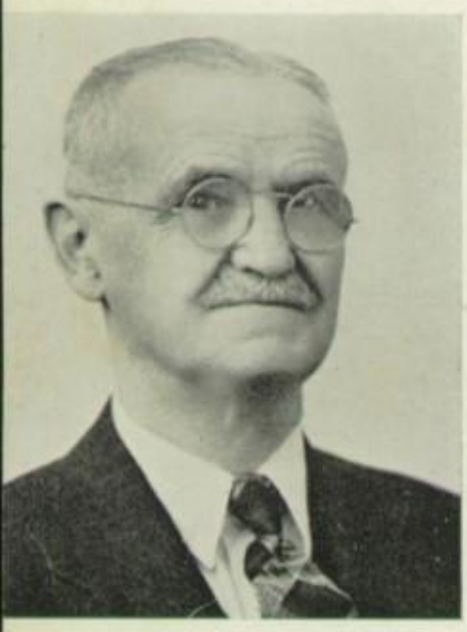
BOARD OF EDUCATION



WEBER
Secretary

We, the members of the Class of 1942, wish to express our sincere appreciation to the Board of Education for the thought and careful planning bestowed upon us.

We realize that it is your consistent and sincere interest that has made possible our exceedingly fine educational facilities. Our extra-curricular program has been of an exceptionally wide scope. We appreciate your cooperation in making this possible. Through your constant interest in our affairs, we feel that you have led us to the second rung in our ladder of achievement.

We hope that you will continue to lead the future classes as well as you have led ours. The students are going to need help in this time of national crisis. We ask that your thoughts be for us as well as for them.

We assure you, that as future citizens and defenders of democracy, the Class of 1942 will do its best to justify your faith in us and in our school by fighting for our American ideals.

DO YOU KNOW

The Class of 1942 is the forty-seventh to graduate from Ambler High School.

There are 109 people in this class as compared with the first class of 4.

We offer three courses: College Preparatory, Commercial, and Practical Arts. In this class there are 35 in College Preparatory, 38 in Commercial, and Practical Arts claims 36.

We have the latest equipment for our business students including: a dictaphone, calculating, bookkeeping, and other office machines.

Many of our Seniors have found the course in electric welding, given for the first time this year, to be interesting as well as profitable.

Our courses in home economics and arts and crafts have been extended.

Many of our Arts and Science students are planning to enter institutions of higher learning.

We have a registered nurse and doctor.

Interest in our extensive extra-curricular program has been high in this class. It ran the gamut from sports, both girls and boys, to dramatics, forum, publications, and musical organizations.

From a small beginning in a two-room building on Forrest Avenue, in 1881, we have developed until we now possess a modern, fireproof high school, with an enrollment of 700 students, and a faculty of 33 members.

VARSITY FOOTBALL

James A. Lauder, Coach; Mervin L. Henry, Assistant Coach

This year, Ambler High School's football team had a very successful season, four victories and four defeats. The team used the T-formation, famous for its power and deception, and found it to be very effective.

Led by Coach Lauder and his able assistant, Mr. Henry, the Trojans played with determination and fine sportsmanship.

Inspired by their captain and back, Ralph Bishop, the Gold and Blue team invaded Springfield and brought home a victory, 7-0. However, the following Saturday, the Trojans went down to defeat at the hands of Hatboro, 6-0.

The Trojans came back in a night game against Jenkintown, defeating them 18-0. Next on the schedule was Lansdale. This game was played in a field of mud; because of this factor there was little opportunity to see power or deception in either team. However, Lansdale came out on top, 6-0.

At Quakertown, the Gold and Blue came through after having a field day at the Quakers' expense, the score being 57-0.

Then, on two successive weeks, Doylestown and Sell-Perk put a kink in this great machine. They won their games by the narrow margin of one point. The scores were 7-6; 14-13, respectively.

In the Thanksgiving Day game the Trojans defeated a strong Souderton team, 13-6, with a fine exhibition of football.

Captain Ralph Bishop and Ambrose Duckett were chosen for the All Bux-Mont eleven. This was the second successive season that Bishop was selected for this honor.

It was a very fine season for the Trojans, who had to adopt a new system of play and adjust themselves to the ways of a new coach.

Better days are ahead, so keep on fighting, boys. Good luck! Keep on playing that clean brand of football and always show good sportsmanship for seasons to come!

SENIOR GIRLS' HOCKEY

Through the years hockey players have been made in Ambler High School, and the team of the 1941 season was the result of much training and experience.

Although the records show three games won and four lost, the passing and other game techniques were never better than during this season. When the season began, the team was composed of practically all new players. This was especially unfortunate as the late opening of school cut the preliminary practice period to practically nothing. The first game with Norristown was played after just one week of practice, and Ambler lost by a score of 6-2. After that defeat, however, the team play improved steadily. The Cheltenham game was the high point of the season.

After the close of the season, the squad traveled to Beaver College to participate in a "Play Day" with hockey squads from Jenkintown, Springfield, Abington, Upper Darby and Cheltenham. The "Play Day" was much enjoyed by every member of the Ambler squad. In the finals the Ambler girls showed their outstanding team play.

Although this record is not as good as it might have been, much credit is due to Miss Boyles, as she labored hard and long to produce a successful team. The girls are all grateful for the knowledge and experience obtained from their efficient coach.

In spite of the fact that ten members of the Varsity squad will be graduated, Miss Boyles can expect a team of outstanding quality when the first call for hockey comes next Fall.

VARSITY BASKETBALL

Ambler High School's basketball team opened the season by defeating the Alumni by a score of 21-14. The victory showed clearly that Ambler was the possessor of fine basketball talent.

The first two league games were lost to Lansdale and Quakertown. The following week, Ambler's courtmen hit their stride and defeated Hatboro 21-17. After dropping one to Sell-Perk, the team staged a comeback on the home floor against Springfield. Trailing 17-9 at the half, the Trojans played furiously in the second period and nosed the Spartans out 23-21 in the last minute of play, before the largest crowd of the season. The Jenkintown Jinx downed the boys, but the following week they defeated Doylestown 30-25 on the home floor.

Following the Doylestown game, the team passed through a trying period. Two varsity players were lost, and throughout the remaining half of the schedule, injuries kept other fellows out of several games.

The last game saw Ambler defeat Soudertown 20-18, thus avenging a previous 49-20 setback.

To Mr. Henry, much credit should be given for his untiring efforts in coaching and inspiring the boys throughout the season.

Three Varsity players: Mallozzi, Wyrostek and Captain Leech will be lost next year, but Haldeman, Jones, Zakrzewski, Albertson, Dean, and Fanu, plus several fine second team members and some Junior High recruits, provide excellent material for a better Ambler High School team.

GIRLS' SENIOR BASKETBALL

The 1942 basketball team, led by co-captains Annie Lane and Mae Whisler, ended their basketball season with a very fine record. The girls had played fourteen consecutive games, including last year's games, before they were defeated. Out of 278 points scored by Ambler, Annie Lane made 152 points.

Hilly Smith, a veteran of last year, was outstanding for her girl-to-girl defense. We played many good teams, such as Abington, Cheltenham, and Springfield, which were defeated because of the relentless spirit of these girls.

Without Miss Boyles' excellent coaching this fine record would not have been possible.

TRACK

Ambler High School's 1941 track team lived up to the fine tradition that has been established by the track teams of former years. Under the watchful eye of their new coach, Mr. Lauder, the track candidates developed into well-trained, well-disciplined athletes, capable of giving fine performances in all the events.

Facing one of the toughest schedules ever encountered by an Ambler team, Coach Lauder wasted no time in calling for candidates. Runners, as well as boys who intended to participate in the weight events, reported early in the Spring. Whenever the weather was not fit, the fellows worked out in the gym.

Only three lettermen: Lane, Curtis and McCort, returned to the squad this year. Coach Lauder deserves a great deal of credit for his patience and untiring efforts in working with many inexperienced boys, and for his ability to turn out a very capable team.

Throughout the tough campaign, the runners held up exceptionally well, improving with each meet. Their fine performances may be attributed directly to their excellent conditioning and to their persistent work. Williams and Kretchmer proved to be mainstays among the milers. Half-milers included Ashton, Lucas and Little. Curtis usually led the Ambler quarter-milers while the hundred-yard dash and the two-twenty-yard dash were run by Curtis, Hoffman, Gransby and Tate.

One of Ambler's chief prides was the Junior High relay team composed of Marano, Kalb, Stevens, and Leh. This group performed very well covering a good bit of territory in remarkably short time. The hurdles were usually run by Lane, Ball, and Thompson.

Curits led the Ambler high jumpers throughout the season but Coles and Hastings also performed well in that event. The chief pole vaulters were McCort, Camasso, and Hastings. Lane and Ball carried the brunt of the work in the discuss and shot put events. The mainstays in the broad jump event were Curtis and Gransby. Ambler lacked javelin throwers this year, but Mastromatto, Holz and Ball held up Ambler's end of this event.

The track season was a successful one and the performance of the boys this year can lead us to believe that there will be an even better track season in 1943.

CROSS COUNTRY

The cross-country team, coached by Mr. Menna, had a successful season. The Trojans had four victories and two defeats. The long distance runners placed fifth out of thirteen schools in the District Championship which was held at the Cobb's Creek Golf Course in Philadelphia.

The team won its meets with Abington, Haverford and Boyertown, and in the last meet of the season, at Lansdale, the Trojans won by a score of 23-32. In this meet, Ambler's Westly Kerns established a new course record and the team had four out of the first five runners to finish the race. During the season, Ambler bowed to Lansdale and Central High School. Most of the squad was made up of new runners. The boys worked hard, training for the two and one-half mile run. It was due to the enthusiasm of the team and the work of their able coach, Mr. Menna, that the Trojan harriers came through with a good record.

JUNIOR HIGH FOOTBALL

The Junior High football team, coached by Mr. Kunsman, found the going a little hard at first, but the Blue and Gold came through with a fine record. Together the team went into battle; win, lose, or draw, the Trojans always fought hard.

The Blue and Gold opened the season with their old rival, Thomas Williams, and were set back by a 13-6 score. The following week they fell to a strong Weldon team, 6-0. This was only the beginning. The Trojans next met Abington and were defeated by a score of 32-6.

A little discouraged, the Blue and Gold team came back fighting and took the spark out of Elkins Park by defeating them 13-6. They ended their schedule by defeating Lansdale, 14-0, in a fine exhibition of football and thus closed a hard fought season.

GIRLS' VARSITY HOCKEY

The 1941-42 hockey season found the junior girls equally as good as their opponents, having won two games and lost two.

In the first game of the season, Ambler suffered defeat at the hands of Abington, by a score of 1-3. This game was played on the Abington field. In the second game, Ambler came back to win a close decision on the home field over the Glenside-Weldon team, by a score, 1-0. The girls toured to Upper Moreland and won a very gallant victory over that team by a score of 5-0. When the team reached Doylestown, they found very stiff competition. The Doylestown girls won the game on their home field by a score of 1-0.

Under the capable coaching of Mrs. Norman Jones the team has many excellent prospects for the Senior High School next year.

JUNIOR HIGH GIRLS' BASKETBALL

Due to the fact that Mrs. Jones was completely swamped with candidates for the Junior High Girls' Basketball, it was necessary that the intra-mural games be played before the regular season in order to determine the first place winners for the team. Eight teams entered the round robin. After many long, hard battles the 8-1's, with Ila Coles as captain, came out on top.

This, taking much more time than was expected, made it necessary to limit the season to three regularly scheduled games. Ambler was successful in winning two of the three games, and was defeated only by the North Wales team by a score of 20-16.

As captain, Helen Meyers continually kept the spirits of her teammates on a high level. The fine coaching has prepared some skilled players ready to fill vacancies in the senior team next year.

JUNIOR HIGH BOYS' BASKETBALL

Basketball for Ambler's Junior High School boys was returned to the sports calendar after a lapse of a year. Mr. Lauder took the responsibility of coaching this group.

Almost every boy who reported for the squad had very little or no basketball experience.

The first game was dropped to Lansdale by a score of 12-6. Inexperience was the chief reason for the defeat. However, those who witnessed the game were surprised to see how well the Ambler courtmen handled the ball. In what was probably the best played game of the season, Ambler lost to Springfield to the tune of 16-15 in an overtime game. The third game saw the Ambler quintet defeat Lansdale 12-6 on the Lansdale floor. The last two games were lost to Thomas Williams; each by the score of 28-24.

The Junior team played well throughout the entire season and should provide excellent material for the Senior High squad.

"The Lovely Duckling" was one of those rare plays—a comedy designed for high school production yet written without too much sentimentality. It was a study in adolescent psychology, presented with so much understanding on the part of the author and so much naturalness and verve on the part of the actors that audiences forgot its slight plot and revelled in young actors playing themselves.

The ensemble acting was lively throughout, the children's scenes especially having a certain nostalgic charm. Besides introducing several newcomers to the stage, "The Lovely Duckling" relied on the experience of Anne Illingworth, Nancy Walker, and Ruth Smith.

The play, "Huckleberry Finn," was the third play produced by the Junior High School. Miss Gear, the dramatic director, and the well chosen cast worked faithfully and enthusiastically to make a success of the play.

The play concerns the juvenile adventures of Huckleberry Finn and Tom Sawyer; the reformation of Huck's drunken father, and the mysterious disappearance of Huckleberry Finn.

The orchestra, under the direction of Mr. Clifford Geary, supplemented the performance of "Huckleberry Finn" with several fine numbers.

STAGE DOOR

On April 16th and 17th, "Stage Door," by Edna Ferber and George S. Kaufman was presented as the second play of the year. It is a story of several young actresses who live together at a theatrical boarding house, and concerns all of their troubles, happiness and successes, in their effort to get their big chance on Broadway.

Under Miss Bork's able direction, the play, including a cast of 30 people, was excellently produced.

First Row: V. Spence, R. Krieble, A. Whitcomb
Second Row: E. Banes, F. Dager, M. Lynch

SUPER SALESMEN

The two annual ticket campaigns were carried through with great success. The student body was divided into three competitive teams, inspired by the faculty leaders: Mr. Hunsicker, Mr. Meyers and Mr. Geary.

The highest sellers in both Junior and Senior high school were awarded cash prizes. The winning team enjoyed the ticket campaign party sponsored by the members of the losing teams.

The success of these campaigns can be largely attributed to the students whose pictures are shown on this page. The students in the picture above have sold twenty-five or more tickets, and those in the group picture have sold ten or more.

MUSICAL ORGANIZATIONS

The Christmas season this year was brightened immeasurably by the annual presentation of the Carol Service. One hundred and fifty members of the various choruses of the Ambler High School took part in this impressive program.

For the first time in its history, the A Cappella Choir was asked to present a Christmas program at the Strawbridge and Clothier Store in Jenkintown. The concert was considered highly successful.

The A Cappella Choir presented its yearly program at the Colony Club in the Spring. The last appearance of the Choir was at the Baccalaureate Service in June.

Miss Manlove is to be commended for her hard work and the notable success she and the choruses have achieved this year. No little part of this success was due to the excellent accompanying of the high school pianist, Betty Hagginbothom.

MUSICAL ORGANIZATIONS

"Over hill over dale . . .

and the Trojans go marching along."

The Ambler High School Band has added another successful chapter to the musical history of the school. Last Fall, under the guidance of our leader and friend, Mr. Clifford K. Geary, we reorganized the band which was greatly depleted by graduation. In a short time it was working smoothly and tunefully. With careful and systematic instruction from our leader we prepared for our first public appearance, at the initial football game. After a successful debut we proceeded to augment the football team's work, at each game, with music and drill formations.

After the close of the football season, the band assisted at numerous school and public functions. Included among our many appearances was a Spring concert.

We were ably represented at the Southeastern District Band Concert held in Pottstown, in March, by Alfred Kemmerer, Hugh Bullard, Frank Mallozzi, Russel Beningo, Frank Wright, and George Miller.

JUNIOR HIGH BAND

First Row: B. Smith, M. Lunn, J. Carpenter, J. Craft, J. Murt, A. Hough, E. Scheriff, M. J. Thompson, M. Reverdy, M. Geary, H. Schaufler, S. Coffey, F. Reis

Second Row: M. Troster, W. Albertson, J. Rile, J. Haywood, M. Gant, N. Brady, R. Astler, R. Zettlemoyer, F. Gloster, L. Thompson, M. Bell, R. Stevens

Third Row: S. Cohen, J. Hess, K. Becker, J. Astler, H. Ott, Mr. Geary

First Row: A. Teller, A. Signore.
Second Row: G. Blount, G. Rawlins, J. Hahn, N. Wilson, M. Evans, B. Snyder, A. Rourke, F. Reis, J. Hess, R. Zettlemoyer, M. Troster, W. Albertson, E. Malachowski, G. Miller, Mr. Geary, Director.
Third Row: W. Wyrostek, R. Benigno, W. Jordan, G. Hastings, G. Morrison, W. Sobers, B. Chappell, P. Berry, L. Coles, L. Smith, A. Neigut, F. Mallozzi, G. Simpson, D. Reed.

All of the Ambler representatives to the Southeastern District Orchestra Concert had the honor of holding first chair positions. They were: Hugh Bullard, Russel Beningo, Frank Wright, and George Miller.

The orchestra supplied its talent for the two school plays as well as concerts for both Senior and Junior high school assemblies.

Mr. Geary has been developing the talent of the Junior Band. These people will soon replace the veteran Seniors in the Varsity Band.

The bands and orchestra gratefully acknowledge their appreciation for having had the privilege of the training and fellowship offered by these organizations, under Mr. Geary's direction, during the past season.

SENIOR COUNCIL

Senior Council, the governing body of Senior High School, is composed of representatives from each Senior High home room; one member at large from the Sophomore Class, two from the Junior Class, and three from the Senior Class; captains of football, basketball, hockey, and track squads; the president of the Honor Society; a representative from the band, and the presidents of the three Senior High classes.

Members of council are placed on committees, such as: cafeteria committee, which takes care of the conduct and cleanliness of the cafeteria; the athletic committee, which co-operates with the faculty in taking care of sports; the assembly committee, which is in charge of order in the assembly. There are also other committees which are in charge of noon recreation, traffic in the halls, assembly programs, and social conditions.

Meetings are held weekly, alternating between regular council meetings and committee meetings. Problems are brought up in committee meetings and are discussed and acted upon in regular meetings.

For the past few years Ambler has belonged to the Philadelphia Council Association. Each month one of the schools in the association plays host to the other schools. In March of this year, Ambler was in charge of one of these meetings.

Mr. Duncan was the faculty adviser of the Council for the past school year.

JUNIOR COUNCIL

Junior Council is the student governing body of Junior High School. The council consists of a member from each home room, a representative from the band, and a representative from sports.

Some of the council's activities are to help take care of noon recreation in the gym, to maintain order in the cafeteria, and to have hall guards appointed who are in charge of the halls during the Junior High lunch period.

Each year the council sponsors the Junior Athletic Party which is one of the outstanding social functions in the Junior High School calendar.

THE NATIONAL HONOR SOCIETY

The National Honor Society is one of the leading organizations of Ambler High School.

New members are chosen by a faculty committee who select not more than five per cent of the Junior Class and a total of fifteen per cent of the Senior Class. The four qualifications necessary for election to the Ambler Chapter are: Character, scholarship, leadership, and service. The Honor Society of the past year has done its best to live up to these ideals.

Among the projects which they have successfully carried out are: sponsoring a Courtesy Week campaign, keeping an Honor Scroll in the hall, and most important of all—editing the first student handbook in the history of the school.

FORUM

This year the Ambler High School Forum, which was formerly under the leadership of Mr. Rothwell, is under the direction of Miss Sleesman. Although Miss Sleesman is new to the school, the Forum is progressing rapidly and satisfactorily under her guidance.

The Forum elected a new staff of officers last Fall. The following were chosen: George Miller, president; William Harsch, vice-president; Verna Hahn, secretary, and Nancy Brady, treasurer.

At the first meeting of the Forum, the topic, "Labor and All-Out Defense," was discussed. At the second meeting, the subject of debate was, "Should the United States Send an A. E. F. to Europe."

Mr. Kerschner honored the Forum at a special meeting by giving a talk on "Civilian Defense."

A few of the alumni members have been present at the meetings.

The debating has been interesting and spirited, as is essential to a good Forum.

Miss Sleesman stated that the Forum sent a delegation to attend the Temple Conference this Spring.

Due to the interest which has been shown in the Forum by the new members, the future of the organization seems very promising.

NATIONAL THESPIANS

The National Thespian Dramatic Honor Society is a non-secret, non-social high school organization with chapters in forty-seven states. The candidates have two hurdles to jump before they are eligible for membership: first, they must have gained enough points in major or minor roles in a three-act production or a series of one-act plays, or have done efficient work as a manager on the business, publicity, or lights committees in two long plays; second, a candidate must demonstrate his willingness to live up to the National Thespian pledge.

TROUPERS

The "Troupers" is a dramatic club composed of high school students interested in any phase of theatrical production. Its members study stage movement, makeup, and pantomine in order to be better qualified for the school plays. The Troupers sponsor assembly programs, revivals of worthwhile motion pictures, and exchange programs.

LIBRARY CLUB

The Library Club has thirty girl members chosen from the Senior High School by Mrs. Jones, the librarian. During the two hours a week each member spends in the library, she checks and shelves books, takes care of the newspapers and magazines, and makes herself generally useful. The club has a business meeting once a week and a social meeting one evening a month.

BADMINTON CLUB

The Badminton Club is composed only of girls in the Senior High School. Every afternoon some girls are practicing badminton in the Gym. Miss Boyle schedules all the girls in the badminton tournament. The winner of this tournament receives a trophy. Hildegarde Smith is president. Helen Hedrick, treasurer.

ARCHERY CLUB

The girls in this club arch every afternoon after school and the six highest scorers shoot in the meets. These expert archers meet Springfield, Abington, Doylestown and Cheltenham. The girls on the team are awarded letters at the end of the season.

AIRPLANE CLUB

The Airplane Club, under the supervision of Mr. Eichhorn, has expanded every year since it was organized in 1936. The members work together and individually to produce scale models of all types of aircraft.

In the Spring the boys have contests to determine the endurance and sturdiness of their planes.

GIRLS SHOP CLUB

Under the direction of Mr. Kunsman, the Junior High girls are being taught an interesting hobby—woodwork. They are making such things as wall tracks, serving trays, book cases, and whatnots.

The secretary of the club is Antoinette Treglia.

BACHELORS' CLUB

The Bachelors' Club is composed of boys who are anxious to learn the culinary art.

Under the direction of Miss Abrahams, the boys produce many appetizing dishes, and they believe their concoctions to be superior to those of the girls.

CARVING AND MODELING CLUB

Sponsored by Mr. Shearer, this Junior High School club has a membership of seventeen boys and girls. The club holds its meetings first period, every Thursday. The students work with soap, wood, plaster, clay, and stone. During the year a collection of soap carvings was placed on exhibition in the hall.

PHOTOGRAPHY CLUB

The purpose of the Photography Club is to develop an appreciation of good photography through the actual taking and processing of pictures, under the helpful instruction of Mr. Menna.

The club's main feature is a contest held each Spring in which members may exhibit their pictures.

PRESS CLUB

The Press Club is now in its sixth successful year. Miss Gear supervises the work of the reportorial staff, and Miss Barr directs the typing staff. The reportorial staff writes articles on school activities, and the typing staff prepares them for the local newspapers.
